2025 ORNAMENTAL PRODUCTS

TRUSTED BY PROS. TAILORED FOR ORNAMENTALS.

Fungicides					
Product	Active Ingredient	Formulation Type	Group	Product Strengths	Application Sites ¹
Chlorothalonil 720 SFT	Chlorothalonil	Liquid flowable	FRAC M5	Multi-site contact control of leaf and flower spots, foliar and floral blights, stem cankers, <i>Phytophthora</i> leaf blight, powdery mildews, rusts, and scabs. Excellent to delay or prevent resistance to single-site fungicides.	Greenhouse, Nursery, Residential Landscape
Chlorothalonil DF	Chlorothalonil	Dry flowable	FRAC M5		Greenhouse, Nursery, Residential Landscape
Enclave	Chlorothalonil Iprodione Thiophanate methyl Tebuconazole	Liquid flowable	FRAC 1,2,3, M5	Four active ingredients provide broad-spectrum control of many foliar, stem, and root diseases. Including anthracnose, leaf spots, powdery mildew, and rusts.	Greenhouse, Nursery, Residential Landscape
Mefenoxam 2 AQ	Mefenoxam	Liquid flowable	FRAC 4	Systemic control of damping off, root and stem diseases caused by <i>Pythium</i> and <i>Phytophthora spp.</i> , and foliar diseases such as downy mildew and those caused by <i>Phytophthora spp.</i>	Greenhouse, Nursery, Residential Landscape
Myclobutanil 20 EW T&O	Myclobutanil	Emulsion in water	FRAC 3	Locally systemic control of a broad range of foliar and root diseases in ornamentals, with preventative and curative activity and long-lasting residual protection.	Greenhouse, Nursery, Residential Landscape
Propiconazole 14.3	Propiconazole	Emulsifiable concentrate	FRAC 3	Systemic control of powdery mildews, rusts, leafspots, scabs, and blights.	Nursery and Residential Landscape
Strobe 2L	Azoxystrobin	Suspension concentrate	FRAC 11	Systemic preventative and curative control of foliar, aerial, and root diseases, including leaf, tip, and flower blights, leaf spots, downy mildew, powdery mildew, anthracnose, and rusts.	Greenhouse, Nursery, Residential Landscape
Strobe 50 WG	Azoxystrobin	Water dispersible granule	FRAC 11		Greenhouse, Nursery, Residential Landscape
Tebuconazole 3.6F	Tebuconazole	Liquid flowable	FRAC 3	Systemic preventative and curative control of black spot, powdery mildew, rust, leaf spots, anthracnose, scab, and blights.	Greenhouse, Nursery, Residential Landscape
TM 4.5 Flowable	Thiophanate methyl	Liquid flowable	FRAC 1	Broad-spectrum systemic control of many foliar, stem, and root diseases.	Greenhouse, Nursery, Residential Landscape
Ipro 2	Iprodione	Liquid flowable	FRAC 2	Systemic control of <i>Rhizoctonia</i> , <i>Botrytis</i> , <i>Fusarium</i> , and <i>Alternaria</i> diseases.	Greenhouse and Nursery

Herbicides					
Product	Active Ingredient	Formulation Type	Group	Product Strengths	Application Sites ¹
Dithiopyr 2EW	Dithiopyr	Emulsion in water	HRAC 3	Selective preemergent control of crabgrass and other grassy and broadleaf weeds with exceptional crop safety.	Nursery and Residential Landscape
Glyphosate Plus	Glyphosate	Liquid	HRAC 9	Non-selective broad-spectrum control of grassy and broadleaf weeds.	Greenhouse, Nursery, Residential Landscape
Oxadiazon 2G	Oxadiazon	Granular	HRAC 14	Selective preemergent control of grassy and broadleaf weeds in newly transplanted and established ornamentals.	Nursery
Oxadiazon SC	Oxadiazon	Suspension concentrate	HRAC 14		Nursery
Prodiamine 4L	Prodiamine	Liquid	HRAC 3	Selective preemergent control of crabgrass and annual bluegrass and other grassy and broadleaf weeds.	Nursery and Residential Landscape
Prodiamine 65WDG	Prodiamine	Water dispersible granule	HRAC 3		Nursery and Residential Landscape
Prodoxaben G	Prodiamine Isoxaben	Granular	HRAC 21, 3	Combination preemergent control of grassy and broadleaf weeds.	Nursery and Residential Landscape
Prodoxaben SC	Prodiamine Isoxaben	Suspension concentrate	HRAC 21, 3		Nursery and Residential Landscape
T/I 2.5G	Trifluralin Isoxaben	Granular	HRAC 21	Up to 8-months of selective pre-emergent control of more than 100 broadleaf weeds and grasses with a single application.	Nursery and Residential Landscape

Insecticides					
Product	Active Ingredient	Formulation Type	Group	Product Strengths	Application Sites ¹
Abamectin 0.15EC	Abamectin	Emulsifiable concentrate	IRAC 6	Long-lasting control of mites and leafminers (including boxwood leafminer) along with suppression of whitefly, thrips and aphids.	Greenhouse, Nursery, Residential Landscape
Acephate 90% Prills	Acephate	Water dispersible granule	IRAC 1B	Systemic control of thrips, plant bugs, aphids, whiteflies, and many other key ornamental pests.	Greenhouse and Nursery
Bifenthrin Golf & Nursery	Bifenthrin	Liquid flowable	IRAC 3A	Fast-acting, broad-spectrum insect control with residual activity, effective for managing key ornamental pests like aphids, whiteflies, and beetles in greenhouse and nursery settings.	Greenhouse and Nursery
Bifenthrin I/T 7.9F	Bifenthrin	Liquid flowable	IRAC 3A		Greenhouse and Residential Landscape
Contrado SC	Chlorantraniliprole	Suspension concentrate	IRAC 28	Long-lasting, broad-spectrum control of key chewing insect pests in greenhouse and nursery ornamentals with minimal impact on pollinators and beneficials.	Greenhouse, Nursery, Residential Landscape
Duraflex ZC	Novaluron Bifenthrin Pyriproxyfen	Microencapsulated concentrate	IRAC 15, 3A, 7C	Broad-spectrum insect control with three modes of action, providing quick knockdown and long-lasting residual, making it highly effective against a wide range of chewing and sucking pests.	Greenhouse and Residential Landscape
Imidacloprid 0.5G	Imidacloprid	Granular	IRAC 4A	The trusted industry standard for ornamental insect control, providing reliable foliar knockdown and systemic movement within the plant for long-lasting residual protection against key sucking pests.	Residential Landscape
Imidacloprid 2F T&O	Imidacloprid	Liquid flowable	IRAC 4A		Greenhouse, Nursery, Residential Landscape
Imidacloprid 75 WSB	Imidacloprid	Water soluble packets	IRAC 4A		Residential Landscape
Lambda GC-O	Lambda-Cyhalothrin	Emulsion in water	IRAC 3A	Provides exceptionally fast-acting, broad-spectrum control of chewing and sucking insect pests on ornamentals with residual activity and minimal plant phytotoxicity when used as directed.	Greenhouse, Nursery, Residential Landscape
