

Promises of Protection

Taurus® SC 10 Year and Fuse® 8 Year

We at Control Solutions Inc. (CSI) promise to stand behind and warranty our termiticide products Taurus® SC and Fuse®. Should a PMP need to re-treat a structure, CSI will cover the cost of re-treatment, including chemicals and labor or insurance deductible costs.

We offer the Taurus SC Ten Year Promise and the Fuse Fits Eight Year Promise. As a licensed termicide applicator, we invite you to register and use this site to learn the proper application methods, learn inspection techniques, download helpful tools, and register

structures to be covered by the these Promises.

Our Promises offer PMPs security in knowing that using Taurus SC and Fuse to treat structures for termites is not only economical, but guaranteed to eliminate termite re-infestations for years after proper treatments.

Make the choice for termit control simple with Taurus SC and Fuse.
